

Investing for Success

**Under this agreement for 2021
Cleveland State School will receive**

\$326,196*

This funding will be used to

- Ensure that 100% of teaching staff collaboratively plan quality curriculum for our diverse range of learners.
- Ensure that 100% of teaching staff are engaged in professional learning, coaching and feedback in the key learning areas of reading and writing through the school's agree Collegial Engagement Framework.
- Increase in the percentage of students A's and B's in English, Maths and Science to 50%, and 80% A-C results in all Key Learning Areas.

Our initiatives include

- Continue our work in professional learning communities
- Engage in the Leading Learning Collaborative, based on the work of Dr Lyn Sharratt.
- Align to doing the right work to achieve success for every student by Knowing our Curriculum; Knowing our Students; Knowing our Teaching Practices; Knowing our Community, as evidenced in the Cleveland State School Strategic Plan 2020-2023

Our school will improve student outcomes by

- Monitoring the performance of our students via systemic and school based data
- Building capacity of teachers in alignment to the school's annual improvement plan focus areas
- Enhance planning in professional learning teams to enact the Australian Curriculum with fidelity

Funding:

- Fractional component of a Head of Department (Curriculum)
- Replacement of teachers to plan together in professional learning teams across the year
- School support staff to support targets and success indicators in the School Improvement Plan
